**NOTES:**

**This is an unofficial document and should be used for academic planning purposes only.**
The Cisco Networking Certificate of Achievement services area employees responsible for the maintenance of network equipment, or employees desiring positions in the field of Wide Area Network's routing.

Certificate of Achievement awarded after successful completion of all courses with a grade of "C" or better.

The Cisco Networking Certificate of Achievement provides the course work needed in order for a student to take the Cisco exam. Successful completion of the exam provides certification as a Cisco Certified Network Administrator (CCNA).
If you need the name of your academic advisor, contact the Engineering Technologies/Engineering Science Department in the Advanced Manufacturing and Engineering Center, room 104, 973-328-5760.
