Please Read and Keep for Future Reference

As a student majoring in International Studies, your faculty advisors are Prof. James Hart and/or Prof. Nadir Kaddour

All degree-seeking students are expected to have their course selections approved by an Academic Advisor before registering for classes each semester. Log onto Student Planning from your Titans Direct account and click on ‘View My Progress’ to stay on track by planning and preparing for your upcoming semester/s.

Please keep in mind that academic advisors are available throughout the year for more than just course selection approval. You are encouraged to meet with Prof. Hart or Prof. Kaddour to talk about career advice, bachelor’s programs, and other topics related to your academic and career goals in International Studies, as well as study abroad opportunities.

Registration for the spring and fall semesters begins in early November and April, respectively. Be on the look out for more information about “Advisement Week” for your department/major.
