**Group Tutoring Session**

This session is for those students who are not as computer-savvy as they'd like to be. Topics covered could include: file management and organization, mouse operations, downloading files, copy & paste, etc. Or bring your own questions.

**Need help with  
computing basics?**

---

**Want to find a  
faster way to do  
things on your  
computer?**

---

**Ask those  
questions you  
always wanted to  
ask.**

---

**No question is a  
“dumb” question**

---

**Led by CCM
