ENVIRONMENTAL

STEWARDSHIP

TRAINING

Habitat and Biological Assessment Training

AmeriCorps NJ Watershed Ambassadors will be training participants in New Jersey Department of Environmental Protection (NJDEP) approved protocols for habitat and biological watershed assessments. After completion, participants will be able to assist Watershed Ambassadors and other watershed organizations on collecting stream data, which can be utilized by the NJDEP.

10:30am-2:00pm
Meet in
Sheffield Hall 261

Bring shoes you
don't mind getting
wet (ex: rain boots)
and a snack/lunch

RSVP to
Professor Salinas at
