

**Self-Employed Contractor Certification**

The County College of Morris requires contractors to carry Workers' Compensation and Employer's Liability Insurance in accordance with the mandated statutory requirements of the State of New Jersey.

The County College of Morris is requiring all companies claiming to be Self-Employed Contractors to certify their status as such in order to work in the County without providing proof of Workers' Compensation coverage. Self-Employed Contractor Certifications must be updated every calendar year.

Additionally, if your status has changed and you are no longer a Self-Employed Contractor, please provide us with proof of your Workers' Compensation coverage.
