## **Civic Education: Time to Restore American Higher Educations' Lost Mission**

This is the first part of the civic engagement collaboration project created by Professor David Pallant, Dr. Mark Uffelman, and Dr. Candace Halo from the Communication, Philosophy and Political Science Departments, respectively.

**Sponsored by Campus Life and the Liberal Arts Division** whose mission is the cultivation of knowledge and traits for the civic enlightenment of all students because of the necessity to sustain healthy democratic self-governance in America.
