

SPRING 2022
ZOOM Virtual Sessions

ANATOMY AND PHYSIOLOGY FOCUS SESSIONS

A&P II (BIO 102) FOCUS SESSIONS

Throughout the semester, the A&P faculty will be holding a series of A&P II Focus Sessions via Zoom. All students registered in BIO 102 Anatomy and Physiology II are welcome to attend these sessions.

In order to attend these sessions, students will need to schedule an appointment on the TutorTrac scheduling system at <https://tutortrac.ccm.edu>; please use your CCM student credentials to sign in. Upon signing in, select "Search Availability" under Student Options on the left-hand side of the screen. Next, select "Science Center" and then select the course and date range. Please note the title of the session may not appear when scheduling an appointment, please make sure you select the appropriate date and time for the session you would like to attend. Appointments can be up to 6 days in advance. Students that have scheduled an appointment will receive an email on the morning of the session with information on how to join the Zoom session.

Each session will be recorded for those unable to attend. Recordings will be posted within 48 hours to the Tutoring Center Blackboard Shell under the Science Resources on the left-hand panel.

Session 1 - Anatomy and Physiology Resources

Presented by: Professor Burns, Professor Gigliotti, and Professor Pietropollo

Date & Time: Thursday, January 27, 11 a.m. - 12 p.m.

Session 2 - Endocrine System: Hypothalamus and Pituitary Gland

Presented by: Professor Burns

Date & Time: Tuesday, February 1, 11 a.m. - 12 p.m.

Session 3 - Cardiac Cycle

Presented by: Professor Pietropollo

Date & Time: Monday, February 14, 9 - 10 a.m.

Session 4 - Blood Typing and Blood Tracing

Presented by: Professor Gigliotti

Date & Time: Tuesday, March 1, 2 - 3 p.m.

Session 5 - Immunity

Presented by: Professor Gigliotti

Date and Time: Tuesday, March 22, 2 - 3 p.m.

Session 6 - Respiratory Pressures and Calculations

Presented by: Professor Pietropollo

Date & Time: Thursday, March 24, 9:30 - 10:30 a.m.

Session 7 - Nephron Anatomy and Glomerular Filtration

Presented by: Professor Burns

Date & Time: Tuesday, April 26, 2 - 3 p.m.

Session 8 - Reproductive System: Gametogenesis and Ovarian/Uterine Cycles

Presented by: Professor Pietropollo

Date & Time: Thursday, April 28, 9 - 10 a.m.
