Revised 08/24

The Business department sponsors two clubs for students: the Young Entrepreneurs Association (YEA) and ABG, our business honor society. These organizations provide our students with leadership and networking opportunities. Students from these clubs have participated in the Rutgers Business Case competition for community colleges, having placed in the Top 3.

All business students have the opportunity to use “Stock Trak,” which is a stock market simulation software. This enables our students to learn about investing in a fun and competitive way.

Many of our Marketing students participate in our annual Marketing Showcase where they are provided with the opportunity to present their marketing plan to an audience of CCM students, faculty and administrators.
