

### LANGUAGES

Welcome to the Languages Program at CCM. We offer instruction that emphasizes both proficiency and culture in 6 (six) languages: American Sign Language, Arabic, French, Italian, Japanese, and Spanish. Chinese, German and Latin are offered based on enrollment trends and student demand. Students who want to study any language and are interested in transferring to a four- year program can major in the Liberal Arts and Sciences, Spanish Education, or International Studies which are a foundation for higher levels of language study.

Each language is offered in four basic levels:

- Elementary I (no knowledge of language expected or required)
- Elementary II
- Intermediate I
- Intermediate II

In addition to these four levels, the Languages Program may offer the following advanced courses depending on student interest and enrollment:

- French Conversation and Literature I & II
- German Conversation and Literature I & II
- Italian Conversation and Literature I & II
- Advanced Spanish Composition
- Advanced Spanish Conversation
- Survey of Latin American Literature: Pre-Columbian to the Present
- Spanish Literature

We administer a placement test for Spanish only. Students may take the Spanish Placement Test at the Testing Center. Students looking for placement in a level higher than Elementary I, can be evaluated by the Languages and ESL Department's Chairperson. In general, students who have taken three or more years of a world language in high school within the past two years will be advised to take the Elementary II level or higher.

The Languages and ESL Department grants credit for prior learning. The number of credits granted will depend on the type of test or course taken and the language it was taken in. Students who would like credit for previous language study should consult with the department chairperson.
