

Connecting to CCM-GUEST

CCM-GUEST is a wireless network for guests of CCM. To easily register and connect to CCM-GUEST, please follow these steps:

1. Connect to CCM-GUEST in your wireless settings.
2. A “Guest Registration” page should pop up to register your temporary account.

Wireless Guest Registration Page

Please complete the form below to gain access to the CCM wireless network.
After you register below, you will receive credentials via text and/or e-mail. Use those credentials to [Sign In Here](#)

Self-Registration

* Your Name: Please enter your full name.
If you receive a SSL certificate not trusted message, click Connect

Phone Number: 888558888
OPTIONAL: Enter your mobile phone number and select mobile carrier below if you wish to have your credentials texted to you. Format: 888558888

Mobile Carrier:
The visitor's mobile carrier.

* Email Address: Please enter your email address. CCM Email Addresses are not permitted. Students and Faculty/Staff must use the CCM-Wireless network. Doing so will avoid having to register as a guest everyday. Your e-mail address will be your username to log into the network.

* Confirm: I accept the [terms of use](#)

* required field

After you register above, you will receive credentials via text and/or e-mail, use those credentials to [Sign In Here](#)
In case of a certificate error, please download these certificates into your trusted root store
