NOTES:

This is an unofficial document and should be used for academic planning purposes only. All students are required to see their Academic Advisor each semester to discuss and approve their selection of courses before they register. Due to continual program revisions mandated by accrediting agencies and/or changes in state mandated requirements, students should consult their academic advisor when selecting courses. If you need the name of your academic advisor, contact the Criminal Justice Department’s Administrative Assistant at 973-328-5760, SH 203.

The A.S. Degree in Criminal Justice-Justice Studies Option is designed to provide students with the knowledge and skills needed to perform substantive legal work. A program that prepares individuals to perform research, drafting, investigatory, record-keeping and related administrative functions under the supervision of an attorney or court. Includes instruction in legal research, drafting legal documents, appraising, pleading, courthouse procedures, and legal specializations.

The Justice Studies Option within the A.S. in Criminal Justice degree leverages CJ electives and free electives to create a Justice Studies Core of 21 credits; based on elective selection, it is also possible for a student to earn the Legal Assistant Certificate of Achievement.

*See back page for more information

+CJS 105 & CJS 121 are mandatory first semester courses that should be taken simultaneously.
