MECHANICAL CAD
Certificate of Achievement

NOTES:

This is an unofficial document and should be used for academic planning purposes only.

The Technology Certificates of Achievement are designed for present or future professionals who seek to improve their technical knowledge and skills in certain areas. Each Certificate of Achievement is balanced with theory and hands-on experience.

Certificate of Achievement awarded after successful completion of all courses with a grade of "C" or better.

The Certificates of Achievement are designed primarily for part-time students who are presently working or planning to work in one of these areas. It is possible to complete any certificate within one year. This Certificate of Achievement also serves as an introduction to the 1-year CAD Certificate or the A.A.S. degree in Mechanical Engineering Technology. For more information, contact your academic advisor in the Advanced Manufacturing and Engineering Center (973) 328-5760.
