Cardiopulmonary Physiology	RTH 203	2		
Cardiopulmonary Evaluation	RTH 204	3		
Cardiopulmonary Pathophysiology	RTH 205	2		
Mechanical Ventilation	RTH 206	4		
Neonatal & Pediatric Respiratory Care	RTH 207	2		
Clinical Practice I	RTH 210	3		
Clinical Practice II	RTH 211	3		
Clinical Practice III	RTH 212	4		
Advanced Respiratory Care	RTH 208	2		
TOTAL		67/68		

**This is an unofficial document and should be used for academic planning purposes only.** All students are required to see their Academic Advisor each semester to discuss and approve their selection of courses before they register.

Due to continual program revisions mandated by accrediting agencies and/or changes in state mandated requirements, students should consult their academic advisor when selecting courses. For academic advisement, contact the Program Director at 973-328-5423, EH 128.

To determine the transferability of your courses to participating NJ Colleges & Universities, access [www.njtransfer.org](http://www.njtransfer.org).

A 2.5 GPA is required for consideration for the Professional Phase of the Respiratory Therapy Program. Students must maintain a 2.5 GPA while in the Professional Phase. Additionally, "D" grades are not accepted for course completion.

**Upon acceptance into the professional courses of the Respiratory Therapy Program, students will be subject to an annual Federal and State criminal history background check and drug screening. The results of these screenings may impact continuation in the program.**

\*See back page for more information.

\*\*Must be completed as a prerequisite to the Professional Phase of the Program. See back page for more information.

Students will not be accepted into the professional courses of the Respiratory Therapy Program with developmental courses in progress.

Interested applicants can obtain the Respiratory Therapy program Admission Policy from the Allied Health Department (Cohen Hall CH 300; 973-328- 5144). Applicants must also complete a two-part application process. **The deadline for the program is March 15<sup>th</sup>.**

The first part involves submitting a Respiratory Therapy Program Application, which is provided at the mandatory information session.

**There are mandatory information sessions given each year. There is one session given each of the following months – June, July, September, October, November, December, January & February. The exact date, time and location can be found on the CCM website under Respiratory Therapy Program.**

**RESPIRATORY THERAPY**  
**#3850**  
**Traditional Full-Time Day Study**  
**Suggested Sequence by Semester**

*This suggested sequence does not include any required developmental courses.  
Degree completion time may vary depending upon the number of credits taken each semester.*

**MATHEMATICS:** Mathematic course requirement may be substituted with an equal or higher-level math. Students must complete the appropriate form and submit their request to the Program Director for review and evaluation.

**SCIENCE:** Science courses completed by students prior to entering the program must be less than seven years old. If the science courses exceed the seven-year limit, students can prove their competency by testing, or they must retake the course.

**HUMANITIES/DIVERSITY/COMMUNICATION:** Select an elective from the attached CCM General Education course.\_  
[Click here for the most recent General Education course list.](#)

**If you do not pass the Technology Literacy Competency exam, you must take CMP 101, Computer Information Literacy.**

**HONORS COURSES:** You may be eligible to take honors courses. Discuss this option with your Academic Advisor.
