MATHEMATICS: See General Education course list. Work closely with your advisor to select the appropriate Math course/s. Students must select at least one three-credit Math course, although a four-credit Math class may work best to meet the 12-credit requirement for Math/Science/Technology. **Note:** Students will not receive credit towards graduation for more than one of the following courses: MAT 124, Statistics and MAT 130, Probability and Statistics.

LABORATORY SCIENCE: See General Education course list. Work closely with your advisor to select the appropriate courses. Students must select at least one 4-credit laboratory science class. You may wish to choose a course designated for non-science majors.

If you do not pass the exam, you must take 1-4 credits of General Education Technology. Consult the General Education course list for choices.
