NOTES:

This is an unofficial document and should be used for academic planning purposes only.

The Technology Certificates of Achievement are designed for present or future professionals who seek to improve their technical knowledge and skills in certain areas. Each Certificate of Achievement is balanced with theory and hands-on experience.

Certificate of Achievement awarded after successful completion of all courses with a grade of "C" or better.

The Certificates of Achievement are designed primarily for part-time students who are presently working or planning to work in one of these areas. It is possible to complete any certificate of achievement within one year. This Certificate of Achievement also serves as an introduction to the field and can be transferred to the Electronic Engineering Technology degree program. If you need the name of your academic advisor, contact the Engineering Technologies/ Engineering Science Department in the Advanced Manufacturing and Engineering Center, Room 104, 973-328-5760.
