**NOTES:**

**This is an unofficial document and should be used for academic planning purposes only.** To connect with the Paramedic Science Program Director, you may call (973) 328-2485 or email Prof. Andrea Murray at [amurray@ccm.edu](mailto:amurray@ccm.edu). Due to continual program revisions mandated by accrediting agencies and/or changes in state mandated requirements, students should consult their academic advisor when selecting courses. Although the A.A.S. degree is a career-oriented program, selected four-year institutions may provide graduates of this program opportunity for transfer.

There are two phases of the Paramedic Science Program - Pre-professional and Professional. Application for acceptance to the professional phase of the program is a separate application from the CCM application. Contact the Program Director, Andrea Murray to obtain an application for the professional phase. Acceptance into the professional phase of the program is competitive (based on academic performance) and NOT guaranteed once pre-requisites are complete.

\*BIO 102 is a pre or co-requisite of PAR 120.

**\*\*To be eligible for consideration for admission to the professional phase of the program students must:**  
 -Complete and submit the Paramedic Science professional phase application.  
 -Hold and maintain current New Jersey EMT and AHA BLS Healthcare Provider (CPR) certifications and a valid driver's license.  
 -Be a minimum of 18 years of age by the first day of PAR 120.

For more information, contact the Paramedic Science program director or [click here for the Paramedic Science program link](#) to the CCM website.
