YOUR STEPS TO ENROLL AND REGISTER

STEP 1: Review Your Letter of Admission

Your Letter of Admission includes important information, such as your CCM Student Identification Number, your Program of Study/Major and any Placement Tests you may need to take before you can register for courses.

STEP 2: Financial Planning

It is very important to understand the cost of attending CCM to ensure you can fund your education. As a degree/certificate seeking student, you may be eligible for Financial Aid. You should complete the Free Application for Federal Student Aid (FAFSA) as soon as possible to secure any funding that may be available. Visit www.fafsa.gov to complete the FAFSA.

STEP 3: Take CCM's Placement Test or Submit Exemptions

Placement tests (or suitable exemptions) are required for all degree-seeking students and for some certificates. Most recent high school graduates (2020 or 2021) will be assessed for placement using their high school transcript. Information regarding any required placement tests and how to schedule them can be found on your letter of admission.

If you have the minimum required score on the SAT, ACT, PARCC exams, or have specific transfer of credit, you may also be exempt from CCM's placement tests. Once you have been deemed exempt or completed your placement tests, you will then receive information about advising and registration.

STEP 4: Schedule a New Student Advisement and Registration Session

The Admissions office will send you an email with information on how to schedule an appointment for advisement and registration for the upcoming semester once you have been deemed exempt or have completed your placement tests.

STEP 5: Join Us for New Student Orientation

Once you have registered for courses, you will receive an invitation, sent to your CCM student email, to attend a New Student Orientation, also known as FYI: First Year Information. The FYI program will focus on, among other things, acquainting you with different departments and services that will be especially helpful to you as a new CCM student.

STEP 6: Submit Your Immunization Records

Immunization records are required for all full time, degree-seeking students. Send your immunization records to the Health Services office via mail or fax. Any questions may be directed to 973-328-5160. The mailing address is: County College of Morris, Health Office, 214 Center Grove Road, Randolph, NJ 07869. The fax number is 973-328-5163.

FINANCING YOUR FUTURE

FINANCIAL AID

The Office of Financial Aid provides funding and advice on available resources to students and their families to assist them with meeting their financial obligations to the college. For more information about applying for Financial Aid and your eligibility as a degree-seeking student, visit

CHARGEBACKS

Chargebacks are a process created by the State of New Jersey so out-of-county students are not penalized with higher or additional tuition costs for attending an out-of-county college if their home county college does not offer their chosen program of study/major. Students should inquire about chargebacks early in the enrollment process. Each college has different deadlines and cutoff dates to apply for chargebacks and submission of paperwork. Chargebacks must be initiated each semester. For more information, visit

PAYING YOUR BILL

Full payments can be made on the 'Student Finance' link in your Titans Direct account. CCM accepts MasterCard, American Express, Visa and Discover or check or money order made payable to CCM or County College of Morris.

SCHOLARSHIPS

More than \$225,000 in scholarships are awarded by the CCM Foundation every year. For more information about scholarship application deadlines, award notifications, scholarship amounts and enrollment guidelines, visit www.ccm.edu/financialaid/fa-scholarshipsonline-
