# IMPORTANT!

## Please Read and Keep for Future Reference

One important key to your educational success at CCM is academic advisement. As a student majoring in **Humanities and Social Sciences**, you are assigned to a faculty advisor in one of the departments within the School of Liberal Arts.

You can find the name of and communicate with your advisor by logging on to your Titans Direct account – click on Student Planning – click on the ‘plan and schedule’ box – click on the advising tab. While registration for the spring and fall semesters begins in early November and April, respectively, you can start planning for your next term NOW by connecting with your advisor/s.

As a reminder, new students are also assigned to a Student Success Specialist (SSS) in The Academic Success Center for their first two semesters. After two semesters, your SSS assignment will end, so it is best to connect early on with your faculty advisor to establish a connection.

If you have any questions regarding your advisor assignment, please call 973-328-5400 or email [wsatmaria@ccm.edu](mailto:wsatmaria@ccm.edu).

If you have an interest within a specific Humanities/Social Sciences discipline, please use the email below that corresponds with that discipline.
