As a student majoring in a **Teacher Education** specialization within a specific curriculum, Chairpersons (or designated department representatives) of your teacher education specialization are listed below.

All students are expected to have their course selections approved by an Academic Advisor before registering for classes each semester. Log onto Student Planning from your Titans Direct account and click on 'View My Progress' to stay on track by planning and preparing for your upcoming semester/s.

While registration for the spring and fall semesters begins in early November and April, respectively, you can start planning for your next term NOW by communicating with your advisor/s.

You may discuss your academic plans with any of the faculty associated with your specialization. You are however, assigned to one specific advisor on your Titans Direct - Student Planning account.

As a reminder, new students are also assigned to a Student Success Specialist (SSS) in The Academic Success Center for their first two semesters. After two semesters, your SSS assignment will end, so it is best to connect early on with your faculty advisor to establish a connection. You can view the name of your faculty advisement team and communicate with your advisor/s by clicking on the 'Advising' tab from the 'Plan and Schedule' box of Student Planning/Titan's Direct.
