SPRING CAMPUS SAFETY FORUM

The Public Safety Department will host a campus safety forum on Thursday, May 2, at 12:30 p.m. (college hour) in the Dragonetti Auditorium.

This program will teach employees how to react and what to expect from first responders during an active threat situation. The forum is offered to all faculty and staff. If you attended the New Jersey Office of Homeland Security and Preparedness seminar in October, this forum is an opportunity to reinforce knowledge, and if you missed the seminar this forum is a critically important chance to learn strategies to protect yourself and others in the event of an active threat.

The forum will feature Sheriff James Gannon as the keynote speaker and will include members of the Morris County Prosecutor's Office, Randolph Police, CCM Public Safety and FBI Behavioral Analyst Unit.

Attendance at the forum is strongly encouraged for all employees. It is important that the entire campus community is prepared in the event of an active threat, and broad participation in this forum will position the college to take the next step toward preparing for a campus-wide active threat drill.

C&C SESSION TODAY IN THE MEDIA CENTER

Don't forget to attend today's C&C session for all employees at 11 a.m. in the Media Center, 2nd floor, Learning Resource Center. Karen VanDerhoof and Glenn Hamilton will present an update on campus facilities.
