CCM CELEBRATES NATIONAL COMMUNITY COLLEGE MONTH

April is Community College Month and CCM has been spreading the message about the important benefits community colleges provide for their students and local communities. As part of that campaign, the President's Office hosted a Legislative and Community Relations Breakfast for legislatures, local officials and area school superintendents on April 9. The breakfast drew a full house to hear about the exciting initiatives taking place at CCM and throughout the state's community college system.

The Department of Marketing and Public Relations and the Media Center also have been conducting an extensive social media and video campaign to spread the good news about CCM, its students, graduates and supporters.

AN OPEN HOUSE FOR EVERYONE

CCM will be holding its "An Open House for Everyone" on Saturday, April 13. This year, the college has revamped its traditional open house by featuring two showcases: The College Showcase, tailored to traditional students and their parents, and the Career Showcase, where adults can learn about the training and resources to get a job, get a better job or become more effective at the job they are in.

The Open House takes place 9 a.m. – 3 p.m., starting in the Health and Physical Education building. There will be three introductory sessions offered at 9 a.m., 10:30 a.m. and noon. Tours and workshops will take place throughout the day.

"LET THE SUN PLAY POSSUM" STUDENT EXHIBITION

The CCM Art and Design Gallery's next exhibition, "Let the Sun Play Possum," will feature the thesis work of seven photography technology students who will be graduating in May.

The upcoming installation runs from April 16 to April 26 in the CCM Art and Design Gallery in the Sherman H. Masten Learning Resource Center. A reception, free and open to the public, will be held Friday, April 26, from 5 to 7 p.m.

All of the works being displayed in the exhibition were created by students in Professor Hrvoje Slovec's Portfolio Preparation course. Since February, the students have been working on various pieces to showcase the photographic skills they acquired during their course of study in the Photography Technology Program. The students each developed a unique concentration that is visible in every photo. The photo above is the artwork of CCM student Alicia Stone.
