YOUNGTOWN EDITION SERIES RECEIVES HIGH PRAISE

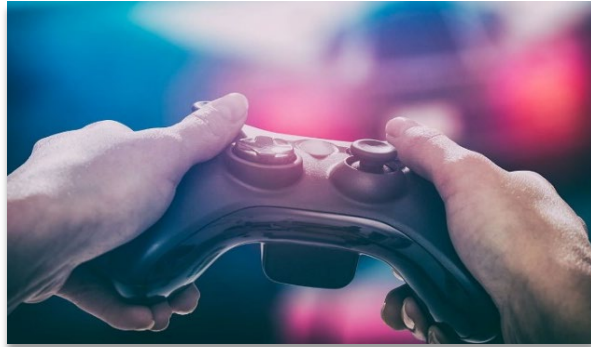

Suffering in silence rarely, if ever, provides relief. Rather it is seeking assistance and being part of a community of people who understand that bring the strongest healing. Recognizing that, CCM students Raven Resch, of Belvidere; Alexa Wyszowski, of Rockaway; and Marco Mirlas, of Landing, decided to use their experiences with mental illness to establish a place of acceptance to help others. In each of the columns, the writers have focused not only on their disorders, but also their successes in life on their paths to recovery and acceptance.

The Youngtown Edition series was picked up by Morris County Proud to be Stigma Free, which included each of the students' stories on its website. The [stigma-free communities initiative](#), is a county-wide program that aims to eradicate the stigma associated with mental illness and substance use disorders. It is dedicated to raising awareness by creating an environment where individuals are supported in their efforts to achieve wellness and recovery. On Wednesday, April 24, the Morris County Board of Chosen Freeholders presented Resch, Wyszowski and Mirlas with certificates of appreciation for raising awareness that those with mental illness should not be defined by their diagnosis. PURCHASING DEADLINES FOR FISCAL YEAR 2018/2019

If you are planning to purchase any capital equipment or promotional printed items, please email the Purchasing department immediately. Purchasing needs to determine if in the aggregate any legal thresholds have been exceeded that would require public advertisement. Capital Items that are available under a state contract or a consortium eliminate the need for public advertisement; therefore, a June 30 delivery may still be achievable.

- Miscellaneous Purchases (excludes repair & maintenance) - 5/10/19
- Blanket Order Change Request - 5/24/19
- WB Mason Office Supplies - 5/31/19
- Blanket Order Releases - 5/31/19
- Check Enclosed Orders - 6/7/19
- Chartwells (Food Service) - 6/7/19

Please make sure there are sufficient funds to support your blanket order increases. Blanket Order Change Requests with insufficient funds will be returned. When processing Blanket Order Releases, please monitor your remaining balance to ensure that your release is not flagged as an "Unauthorized Purchase". All releases must be processed no later than May 31.

Note: All requisitions received by the deadline date will be prioritized and processed accordingly. If your requisition is received after the deadline, it may not be processed because Purchasing cannot guarantee a June 30 delivery.

STUDENT PHOTOGRAPHY EXHIBIT VIDEO

Seven CCM students recently exhibited their photography thesis work in a show in the CCM Art Gallery titled "Let the Sun Play Possum."
