The library also has a new Halloween book display, with both fiction and nonfiction titles.

## Blackboard Users

Blackboard is starting to move to a new user interface and CCM will be moving to Blackboard's Base Navigation for the Fall 2023 Semester. The Base Navigation interface is a more modern and more intuitive platform. It also is mobile responsive, which is important as many of our students work on their mobile devices.

Base Navigation changes the "look" of the Blackboard entry page, but it does not affect course setup and interface. Please watch the videos below.
