Table of Hope to Hold Drive-Through Thanksgiving Food Distribution Turkeys, Fresh Produce, Canned Goods and More for a Holiday Feast

Helping to make Thanksgiving a meal to remember, Table of Hope will be holding a holiday food distribution event – including turkeys and the fixings – at CCM on Friday, November 18, from 1 – 2:30 p.m.

The drive-through food distribution, open to Morris County residents, takes place in Parking Lot 1.

This is the third year that CCM is hosting a Thanksgiving feast distribution with Table of Hope. Along with turkeys, fresh produce, canned goods and dairy products will be provided for a complete holiday meal. The distribution will operate as a no-questions-asked event with cars stopping at different stations categorized by food type. Visitors only need to open the trunk of their car to have boxes of food placed there by volunteers.

The partnership between Table of Hope, part of the Spring Street Community Development Corporation, and CCM has benefitted the community for several years now. CCM has hosted five previous events with Table of Hope to assist those in need. Sponsoring the Thanksgiving distribution are Alstede Farms, Bethel Church of Morristown, the Community Food Bank of NJ, McRae Capital Management and the Morris County Sheriff's Office.

Shortly after the pandemic struck New Jersey, Table of Hope began operating weekly mobile food distribution programs in Morristown, Parsippany and Dover, along with other grocery supply events in Morris County communities.

The beauty of Northern New Jersey and other settings as vividly portrayed by **Professor Todd Doney**, Visual Arts, will be on display November 4 - December 1 at Broadfoot & Broadfoot, A Collection of Fine Arts, 819 Main Street, Boonton. Support CCM Students Raising Money to Help Heal Children

On Saturday, November 19, CCM's Game Development majors will be holding their Fifth Annual Extra Life charity event for Children's Specialized Hospital in Mountainside. For this event, they play video games for 24 hours straight in the SCC and stream online to raise money for kids. The group is looking to raise at least \$3,000 this year.

Anyone can donate, even before or after the event. Also, the event is completely open to the public. To donate, click [here](#).

Curious about what events were like in previous years? Here is a video made by a CCM graduate, www.youtube.com/watch?v=6jDVY246C Uc.

Mandatory Training

In September, the Board of Trustees resolved to require annual training for all employees and additional training for certain employees with procurement or safety obligations as a part of their position.

Following the training required during initial employment, each year all employees (full-time, part-time and temporary) are required to review and acknowledge receipt of the following policies:

- Data Security (2.2016.1)
- Use of Information (2.009.1)
- Code of Conduct (3.1016)
- Code of Ethics (3.1002)

Earlier this month, you received an email from County College of Morris with the subject line "Vector LMS, Higher Education Edition Online Training" that includes a link to the SafeColleges portal, the college's online employee training vendor. On this site, you will be able to access, read and acknowledge each of these four policies.

The email will include your username. You do not need to provide your training certificates to HR, as it will receive a report from the vendor. Please be aware that non-compliance may result in disciplinary action. The deadline to complete the training is December 9.
