CCM Presents a Christmas Carol Delighting Audiences with a Timeless Classic

Don't pay Broadway prices to enjoy a timeless classic about transformation when you can enrich your holiday season with a Christmas Carol at CCM as presented by the Department of Music, Performing Arts & Music Technologies.

"The show is an adaptation of the story of Ebenezer Scrooge's journey from an embittered, ungenerous creature into a giving, caring human being at the hands of three spirits, who, one Christmas Eve, show him what life means," explains Professor and Director Michael Donahue. "This richly textured play brings the full spirit of the book, as well as those of Christmases Past, Present and Yet To Come, to life on the stage."

Show dates are Thursday – Saturday, December 8 – 10, at 7:30 p.m. at the Dragonetti Auditorium in the Student Community Center on CCM's campus, 214 Center Grove Road, Randolph. General Admission is \$15 and \$10 for CCM students, alumni, children under 12 and seniors 62 and over. To purchase tickets, go to <https://bookstore.ccm.edu/christmas-carol-general-admission>.

The CCM Testing Center has been recertified by the National College Testing Association (NCTA). Criteria for certification are rigorous and based on the NCTA Professional Standards and Guidelines, which were developed to guide post-secondary test centers in the delivery of quality testing programs. The CCM Testing Center is one amongst a growing number of test centers in the United States and around the world to have completed this intensive recertification process. Congratulations are extended to **Dr. Kevin S. Chen** and the entire Testing Center staff for maintaining high test administration standards and for providing excellent service to a wide variety of students and community members in the performance of their duties.
