### Teen Arts at CCM – Save the Date May 17

On Wednesday, May 17, the Morris County Teen Arts festival will take place on the CCM campus. The festival will run from approximately 8:30 a.m. to 2:30 p.m. and will bring over 800 middle- and high-school student artists and musicians from Morris County to the college, as well as their teachers.

Each year, the festival is centered on a theme. This year's theme is "Art & Identity." Visiting students and faculty alike are encouraged to consider how their art might be a vehicle through which they express, explore and question ideas about identity.

The festival will kick off with a welcome in the HPE gymnasium where participants will hear from CCM student representatives and the Teen Arts Visiting Artist, New Jersey based artist and illustrator, Edel Rodriguez, whose work is currently on exhibit in the CCM Art Gallery.

At 10 a.m., the students will break out into scheduled performances, exhibition spaces and workshops. The Art Gallery will feature an interactive exhibition/conversation with the Visiting Artist, while LRC 121 will be the site for an ongoing exhibition of student artwork. Student performers will be busy practicing and presenting in the Music Technology Building and Dragonetti Auditorium. The day will be one of fun and celebration with a wide array of activities for the visiting students, staffed by CCM faculty, visiting artists and CCM students.

You'll get to see everything from figure drawing to virtual reality, from tips on auditioning to poetry slams, from an interactive drum circle to an Open Mic Coffee House. There truly will be something for everyone at this year's festival. In addition to the scheduled workshops, many drop-in "happenings" will be spread throughout the campus. Wander the marked pathways and you will find chalk drawing, a hands-on animation station, an interactive post-it note collaboration, presentations on artists throughout history, lawn games, a scavenger hunt, and more.

The entire CCM community is invited to come out and enjoy the art, music and positive energy of the Teen Arts Festival. Anyone interested in volunteering to help with the festival can contact the current CCM Teen Arts coordinators at [teenarts@ccm.edu](mailto:teenarts@ccm.edu).
