

Save the Date - The Highly Anticipated Website Redesign!

Over the past year and a half, the Marketing & Public Relations (MPR) Department has been leading CCM's much anticipated website redesign project. After being named a National Top 10 Marketing Program by the Lumina Foundation Million Dollar Community College Challenge, CCM was awarded \$100,000 to fund the project. Thank you to everyone who participated in the Core Team, the Implementation Team and in key stakeholder interview sessions. Your insights, feedback and assistance have been and will continue to be invaluable. We are excited to reveal this new, dynamic, easily navigable and very student-focused website. We look forward to sharing it with you and celebrating this milestone as CCM continues to live out its mission and values.

Mark your calendars! On Tuesday, March 19, a special event will be held in Dragonetti Auditorium at 12:30 p.m. for all faculty, staff and students. The event will introduce CCM's newly designed website AND reveal quite a surprise that relates to our beloved mascot, Titus the Titan. Plus, there will be giveaways and refreshments. You won't want to miss this!

CELEBRATES!

Congrats to Caitlin Burns, Chairperson of the Biology and Chemistry Department, for being selected as a **2024 Human Anatomy and Physiology Society (HAPS) Conference Travel Award** recipient! The mission of HAPS is to promote excellence in the teaching of anatomy and physiology. HAPS currently includes over 1,800 members from high schools,

two- and four-year colleges, universities and private businesses in the United States, Canada and throughout the rest of the world. Caitlin currently serves as the Chairperson of the HAPS Communications Committee.

The annual HAPS conference provide members with an important means of updating their knowledge, improving technical/pedagogical skills, investigating new technologies for the laboratory/classroom, as well as networking with a growing international contingent of peers. The 38th Annual Conference will take place May 25-29 in Saint Louis, Missouri.

As a recipient of the travel award, Caitlin plans on attending and presenting a workshop at the conference.

Titan's Time Out

Join the Foundation and Special Events in a new initiative of employee appreciation and community. Titan's Time Out is designed to allow us to gather as colleagues in a fun, light and social atmosphere. The committee is excited about all the events planned for 2024.

Upcoming Events:

March 8: Chattin at Crabby's

- 5 7 p.m., Mr. Crabby's in Randolph
- RSVP contact and additional details to come!

Yearbook Photo Shoots for Adjunct Faculty

The Yearbook Club will be partnering with the photography club to host two portrait shoots for adjunct faculty. These are scheduled for Friday, 2/16 and Friday, 3/1 from 10 a.m. to 4 p.m. If you are willing to come to either of these, please email Julian Costa, club advisor, at jcosta@ccm.edu. The photos will be taken in the Henderson Hall Photo Lab, DH-210. Please consider participating!

On Capitol Hill Last Week

CCM President Dr. Anthony Iacono was honored to be one of 33 community college presidents invited to the White House in recognition of innovation and outcomes in higher education. Discussions included the important role of community colleges in meeting the strong demand for an educated and skilled workforce. College leaders shared the strategies their colleges are implementing in response to this demand and their efforts to create partnerships within their communities. #CCMProud to be represented with excellence at The White House!

Special Guest Speakers

Professor Daniel Coniglio recently had special guest speakers in his Intro to Music Business Class - Vin Rock and DJ Kay Gee from the New Jersey-based iconic hip hop group Naughty By Nature.

The musical group came in to speak with students and answer questions about many topics including being an independent artist on an independent label, their journey/staying power as a group, the role of management in their career, how the business has changed since they started and how their anthems came to fruition.

What an exciting opportunity for students to meet with and learn from industry artists!

Tax Form 1095-C

As required by the Affordable Care Act (ACA), CCM reports information about the medical insurance offered to employees and dependents on Form 1095-C. These forms are available to employees each year and are accessible electronically on the Tax Forms page through <u>Titan's Direct</u>.

You do not need this form to file your taxes; however, you are encouraged to keep it with your tax records. For questions or to request a correction to your 1095-C, contact Karyn Norberg in Human Resources at knorbergccm.edu.

Campus Life Updates Procedure For Obtaining ID's

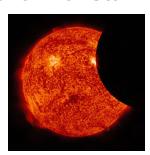

The Office of Campus Life is now processing ID's completely online. Students are to take a headshot in front of a plain white background and from their CCM email address, submit the photo, along with their ID number to campuslife@ccm.edu. Once their ID is processed, an email will be sent to them to come pick up the ID at the Campus Life Information window, SCC226. Students needing an appointment for processing an ID in person should be directed here. If there are any other questions regarding ID's, students can contact the Office of Campus Life.

February 2024 College Council Meeting

Please join this month's College Council Meeting, which will be held on Thursday, February 22, 2024, at 12:30 p.m. on Zoom. Meeting ID: 999 7463 0956; Passcode: 887117. Or Dial In: 646.876.9923

Free Planetarium Show for Staff

CCM's Longo Planetarium is offering free shows again this semester for staff and students on the third Tuesday of the month at 1:30 p.m. The show on **February 20** will feature a new show called "Totality" which describes

the spectacular total solar eclipse that takes place this spring. The show is approximately 30 minutes long and starts promptly at 1:30 pm in Cohen Hall room 207.

Celebrate Black History Month

There are a number of engaging and enlightening events happening on campus this month in celebration of **Black History Month**. We hope you'll take the time to attend some of these! You can view the Black History Month calendar here and also find it below.

Staying Focused on Your Work -February Webinars

Employee Assistance Program (EAP) - New Directions is a benefit for all. Enter company code:

There are a number of free webinars offered this month, which are outlined below.

Staying Focused on Your Work

Procrastination is a part of life. Sometimes it's just easier to put your responsibilities aside when you feel overwhelmed, overworked, or distracted by more relaxing or recreational pursuits. However, when you postpone too many projects, your life can feel disorganized and out of control. Here are some tips to avoid procrastination as you learn to focus on the tasks at hand.

- Make a list of everything you've pushed aside
- Make a note of why you postponed the task and what you'll need to do to correct the situation. Organize your list based on the priority of each item
- Now That You Know What You Need to Do, It's Time to Act!
- Make a commitment to yourself to complete your tasks on time. Motivate yourself to get your work
 done by listening to music or giving yourself a pep talk.
- Take a closer look at why you postpone certain things.

 Visualize what it will take to complete each item on your list. Imagine what you'll be able to do once that task is complete and off your checklist. Break your projects into short-term and long-term tasks to help you manage your time
- . Limit your checklist to no more than 10 items a day. Always address the most important items first.
- Review your work habits to determine what works and what doesn't.

 Try to stay positive when you start to feel overwhelmed.
- If necessary, delegate your responsibilities to others.
- Celebrate when you meet deadlines. A short break, a night out, or even a major activity can help you prepare for the next project.

Remember, if you're having a problem with time management, there are easy solutions to correct the situation. You can get your life in order and your work done on time!

Construction Updates

Academic Complex Elevators and Third Floor Walkway

The DeMare Hall elevator is scheduled for the state inspection at the end of February, and the Sheffield Hall elevator is scheduled for the state inspection during the first week of March. The new elevators in DeMare and Sheffield will be placed in service once approved by the State of New Jersey. Once approved, starting in the second week of March, the final stage of removing the old elevators and converting them to storage closets and genderneutral restrooms will begin. There will still be intermittent noise and minor odors throughout the

Classroom Projector Upgrade Notice

Media Services began replacing projectors, switchers and cabling in classrooms last week. All classrooms will eventually have full HD, widescreen projectors or TVs fed by the lectern thin client. With each room upgrade, Information Services has replaced the VGA thin client with a HDMI thin client and replaced the old standard definition monitor with an HD, widescreen monitor. The difference in quality is quite noticeable.

Additionally, instructors will have the option of connecting any device to an HDMI cable that is on the lectern, including AppleTV devices that Media Services will make available for instruction, giving teachers the option of using their tablets for annotation.

Rooms completed last week (chosen because they had projectors that had lamp and/or power problems) include:

CH-100

CH-153

CH-259

CH-269

DH-118

DH-163

DH-255 LRC-107

SH-100

SH-166

Because VCRs, DVD players and Elmo cameras do not have HDMI outputs, they are no longer compatible with the AV system, which was why notification was in the CCMemo last fall urging instructors to digitize their old VHS tapes. Anyone still wishing to use a DVD can request an external DVD drive from Information Services and simply plug it into the thin client.

Instructors can also upgrade their slide decks to widescreen format if they wish to take full advantage of the wider TV or projection surface.

Free Exercise Classes

Free Faculty & Staff Fusion Exercise Class: Yoga/Light Cardio/Strengthening & Stretching with HES adjunct professor Trayer Run-Kowzun

Where: HPE 120

When: Mondays, 4:30-5:30 p.m. from January 22 -

May 6

Where: Remote Webex (email

trunkowzun@ccm.edu if interested; CCM email

needed to join the class)

When: Friday, 5 - 6 p.m.; ongoing

Home Basketball Games

The last home basketball game of the season is on February 20 at 6 p.m. vs. Mercer County Community College. Come support the Titans!

next coming months. Please reach out to Plant & Maintenance ext. 5500 if you find you have a partial loss of power, or the HVAC system is not acting as you would normally expect. We have been able to restore systems relatively quickly, but the sooner Plant knows the sooner they can get things restored.

Public Safety and Plant are continuing to work daily on updating caution and detour signage as the work shifts within the buildings. If you have any concerns, please call Business & Finance at ext. 5012 and they will direct the questions or concerns to the correct department/person.

To keep informed of the construction progress throughout the Spring Semester, please check the CCMemo for regular updates. We again thank the campus community for their assistance with preparing for the spring construction schedule. As communicated over the last few years, the completed project will provide much-needed accessibility (ADA) access to the third floors of Cohen, Sheffield and DeMare halls with larger elevator cabs and a connection between the buildings' third floors. The third-floor connections will improve circulation and provide additional options for emergency access. The old elevators and equipment rooms will be converted to fully ADA-compliant gender-neutral (all gender) single-stall restrooms and additional building storage. This project is funded through the College's Chapter 12 appropriation and was approved by Morris County.

Morris County Vocational School Career Technical Education Center

The underground plumbing work is complete. Structural Steel is scheduled to arrive on February 19 and erection will begin shortly after if weather permits. As the steel goes up and the retaining wall is waterproofed, the soil stockpile in the parking lot will be used as backfill. The section of Parking Lot 9 near the Tennis Court stairs will remain open for parking and entry/exit. Parking Lot 7 and 8 will also be available for parking of students, faculty and staff. The sidewalk near the fence heading towards the AMEC building from Parking Lot 9 will remain open for use. The new facility will focus on workforce development learning opportunities and will operate on a share-time model for high school juniors and seniors. The project expands and supports the partnership between MCVSD and CCM. This project is funded through Securing Our Children's Future Bond Act.

Grounds Garage and Underground to Aboveground Storage Tank at the Plant Maintenance Building

The UST-AST-Grounds Garage project is near completion. Punch list items were reviewed and will be closed soon. The anticipated completion for this project is on schedule for the end of February. Final inspections were completed, and the certificate of occupancy will follow. This project is funded through the College's Chapter 12 appropriation.

ABP Representatives On Campus

Representatives from the Alternate Benefit Program (ABP) will be on campus offering individual retirement counseling sessions for CCM employees. All meetings will be located in Henderson Hall, room 107.

Please RSVP directly to the vendor you wish to meet with:

- Dave Sharpe MetLife/Brighthouse

Coming Soon! Emergency Evacuation Drills

CCM Public Safety conducts unannounced evacuation drills of campus buildings, as required by Fire Code. Please familiarize yourself with the College Emergency Evacuation Procedure

so you are aware of the process. Faculty are reminded to read the Emergency Evacuation Statement to their students at the beginning of the semester, which is noted in the procedure. Emergency evacuation drills not only familiarize our students and employees with the procedure, but also test our fire alarm control panels and the response of our Fire Marshalls, Maintenance Staff and Public Safety Officers. Please contact Public Safety if you have any questions.

BJ's Memberships

New Members – only \$20 OR \$60, depending on which membership you choose!

Renewals – \$50 OR \$100, depending on what membership you have.

PROMO CODE 450549 - EXPIRES 3/1/2024

<u>Paying by Credit Card?</u> Call # 800-313-8887 and provide the code.

Hours of Operation: Monday-Friday from 9 a.m. - 6 p.m. EST

They will add the 12 months to your current expiration date.

The promo code does not work online or in-store Why should you Join BJs? Check here!

Coming Soon! Center for Entrepreneurship & Culinary Science

The project was recently approved to move forward with construction. The scope of work includes constructing a 13,000 square foot addition to the Student Community Center (SCC) where the current outdoor patio resides. The infrastructure will house space for the Entrepreneurship program and expand learning space for the Culinary Science programs. The submittal review process is underway. CCM anticipates the construction to commence in the coming weeks. This project is funded through the College's Chapter 12 appropriation.

The Center for Health Professions

The process to access the Federal funding through the State appropriation is underway and an Architect/Engineer for the project will be ready for consideration this month. The current schedule is to have the construction project out for bid in mid Fall and awarded before the end of the year.

COVID Protocol for Employees

We are in the season where upper respiratory infections are most prevalent. For employees who are feeling ill, follow these protocols:

If an employee feels sick, stay home or leave campus as soon as possible and do not work from home.

All medical documentation should be emailed to HR at humanresources@ccm.edu and may be required in accordance with the Sick Leave provisions in your collective bargaining agreement.

If you are home due to feeling ill, remote work is not an option.

If an employee has a positive PCR Test: Do NOT come to campus, contact your supervisor and HR.

*If you have symptoms and have a positive PCR test, contact HR to discuss your quarantine period based on CDC recommendations and your return to campus date.

*If you were exposed to COVID and have no symptoms, but have a positive PCR test, contact HR to discuss your quarantine period based on CDC recommendations and your return to campus date.

*If COVID positive and you have no symptoms, remote work must be approved by your Vice President or Executive Director.

Weather-related Closures

CCM officials continue to make decisions regarding snow days. A message regarding a campus closure means all classes

and activities will be canceled and offices will be closed.

As has been the case in the past, even if classes are canceled, faculty may choose to meet with students online, but they should not penalize students who do not have internet access. It is recommended that faculty inform their students in advance of how they will operate in the event of a closure. Faculty should talk to their dean or vice president if they have questions or need additional support.

Check the website and email for updates. If you have not already signed up for a Titan Alert or need to update your information, we encourage you to do so at Get Rave.

Please note: You are not required to report a COVID-19 exposure to HR. Only report a positive test result. To report work absence(s) due to COVID-19, employees must provide a positive PCR test or doctor's note for verification. Home Tests are not acceptable verification. To return to campus following a COVID diagnosis, you are not required to provide a doctor's note or negative PCR test. As always, cover your face when you cough or sneeze and wash your hands frequently with warm soapy water.

SOCIAL MEDIA

Help us communicate all of the good things happening at CCM by liking, sharing or commenting on the college's social media posts and pages.
