

### CCM Presents a Retrospective of the Career and Works of Fiber Artist Daryl Lancaster

In partnership with Morris Arts and Teen Arts New Jersey, CCM is excited to present the multi-run show, “A Retrospective of the Career and Works of Fiber Artist Daryl Lancaster”. The first show will begin on Thursday, February 29, with an opening reception, free and open to the public, from 6 to 8 p.m. in the CCM Art Gallery. The exhibition will then run through Thursday, March 28.

Upon conclusion of the show, selected works will be on display in the Titans Gallery starting Friday, March 29 through Wednesday, May 8.

The entire first run will then be reinstalled in the main Art Gallery in anticipation of the 2024 Morris County Teen Arts Festival on Monday, May 13. Her show will remain in the Art Gallery throughout the summer.

Congrats to the team of five students in the Data Science Program who earned the top spot in the Two-Year College Category for the **American Statistical Association’s (ASA) Fall Data Challenge 2023: Stack Overflow Developer Survey**. The team was led by Professor Kelly Fitzpatrick, who served as Faculty Advisor. In its eighth year, the current challenge was to provide insights into the business model of a startup company developing a boot camp for coders and developers.

The college is proud of the CCM Groundhogs team: Stephen Coates, of Long Valley; Tommy O’Sullivan, of Randolph; John Tran, of Union; Khymali Williams, of Dover; and Mark Young, of Succasunna. The victory highlights their ability to apply classroom knowledge, address timely topics and showcase a collaborative spirit and teamwork that defines CCM.

#### Titan’s Time Out

Join the Foundation and Special Events in a new initiative of employee appreciation and community. Titan’s Time Out is designed to allow us to gather as colleagues in a fun, light and social atmosphere. The committee is excited about the events planned for 2024.

#### Upcoming Events:

##### Friday, March 8: Chattin at Crabby’s

- 5 – 6:30 p.m., Mr. Crabby’s in Randolph
- Let’s talk! Special reserved section for CCM
- Light bites and soft drinks will be provided
- Additional beverages will be available for purchase
- **This is an RSVP event.** Respond to [lmurray@ccm.edu](mailto:lmurray@ccm.edu) by March 5

#### Yearbook Photo Shoots for Adjunct Faculty

The Yearbook Club will be partnering with the photography club to host another portrait shoot for adjunct faculty. **This is scheduled for Friday, 3/1 from 10 a.m. to 4 p.m.** If you would like to attend, please email Julian Costa, club advisor, at [jcosta@ccm.edu](mailto:jcosta@ccm.edu). The photos will be taken in the DeMare Hall Photo Lab, DH-210. Please consider participating!

#### Donations Needed for EOF Tricky Tray

EOF is once again looking for donations of new items for their upcoming Tricky Tray on Thursday, April 4. If you have an unwanted gift from the holidays or new item in your home that you don’t need, please consider donating it so a basket can be created.

The more items received, the more funds they can generate to help students with emergency book loans, alliance activities and more. **You can drop off donations in EOF, CH 211, before March 15.**

Examples of previous donations include K-Cup holders, gift cards, specialty olive oil, bath spa sets and candles.

Also, please save the date and come try your luck on April 4 from 10 a.m. – 3 p.m. in SCC Lobby.

Thank you for considering this opportunity to support EOF!

## Construction Updates

### Academic Complex Elevators and Third Floor Walkway

The DeMare Hall elevator is scheduled for the state inspection at the end of February, and the Sheffield Hall elevator is scheduled for the state inspection in the first week of March. The new elevators in DeMare and Sheffield will be placed in service once approved by the State of New Jersey. Once approved, starting in the second week of March, the final stage of removing the old elevators and converting them to storage closets and gender-neutral restrooms will begin. The demolition of the Cohen Hall elevator will begin over Spring Break this March. There will still be intermittent noise and minor odors throughout the coming months. Please reach out to Plant & Maintenance ext. 5500 if you find you have a partial loss of power, or the HVAC system is not acting as you would normally expect. We have been able to restore systems relatively quickly, but the sooner Plant knows the sooner they can get things restored.

## Mark Your Calendars!

On Tuesday, March 19, a special event will be held in Dragonetti Auditorium at 12:30 p.m. for all faculty, staff and students. Not only will the event introduce CCM's highly anticipated website redesign, but a major surprise related to our beloved mascot Titan the Titan will be revealed. Plus, there will be giveaways and refreshments. You won't want to miss this!

## Spring Drama - Twelfth Night

Be entertained with a witty and romantic comedic performance of *Twelfth Night*, presented by the Department of Music, Performing Arts & Music Technologies!

Performances take place Thursday, March 7 – Saturday, March 9 at 7:30 p.m. each night in the Music Technology Center 105.

- General Admission: \$15
- CCM Students and Alumni, Children under 12 and Seniors 62 and over: \$10
- **Staff and faculty can receive one free ticket** to each of the performing arts performances, including the musical, drama and dance. To receive the free ticket, staff and faculty will have to show their CCM ID at the box office. See you at the performances!

Public Safety and Plant are continuing to work daily on updating caution and detour signage as the work shifts within the buildings. If you have any concerns, please call Business & Finance at ext. 5012 and they will direct the questions or concerns to the correct department/person.

To keep informed of the construction progress throughout the spring semester, please check the CCMemo for regular updates. We again thank the campus community for their assistance with preparing for the spring construction schedule. As communicated over the last few years, the completed project will provide much-needed accessibility (ADA) access to the third floors of Cohen, Sheffield, and DeMare halls with larger elevator cabs and a connection between the buildings' third floors. The third-floor connections will improve circulation and provide additional options for emergency access. The old elevators and equipment rooms will be converted to fully ADA-compliant gender-neutral (all gender) single-stall restrooms and additional building storage. This project is funded through the College's Chapter 12 appropriation and was approved by Morris County.

### Morris County Vocational School Career Technical Education Center

The underground plumbing work is complete. The crane is on site in Parking Lot 9 and the structural steel installation has begun. As the steel goes up and the retaining wall is waterproofed, the soil stockpile in the parking lot will be used as backfill. The section of Parking Lot 9 near the Tennis Court stairs will remain open for parking and entry/exit. Parking Lot 7 and 8 will also be available for parking of students, faculty and staff. The sidewalk near the fence heading towards the AMEC building from Parking Lot 9 will remain open for use. The new facility will focus on workforce development learning opportunities and will operate on a share-time model for high school juniors and seniors. The project expands and supports the partnership between MCVSD and CCM. This project is funded through Securing Our Children's Future Bond Act.

### Grounds Garage and Underground to Aboveground Storage Tank at the Plant Maintenance Building

The UST-AST-Grounds Garage project is near completion; punch list items were reviewed and will be closed soon. The anticipated completion for this project is on schedule for the end of February. Final inspections were completed, and the certificate of occupancy will follow. This project is funded through the College's Chapter 12 appropriation.

### Coming Soon! Center for Entrepreneurship & Culinary Science

The project was recently approved to move forward with construction. The scope of work includes constructing a 13,000 square foot addition to the Student Community Center (SCC) where the current outdoor patio resides. The infrastructure will house

## Health and Safety is Everyone's Concern

CCM places a high priority on the health and safety of its employees and students. Toward that end, the college has a Safety Committee. Anyone with a concern or suggestion can reach out to Co-Chairs [Frank Pietropollo](#) or [Maureen Stivala](#) or any member of the committee.

## Classroom Projector Upgrade Notice

Media Services began replacing projectors, switchers and cabling in classrooms. All classrooms will eventually have full HD, widescreen projectors or TVs fed by the lectern thin client. With each room upgrade, Information Services has replaced the VGA thin client with a HDMI thin client and replaced the old standard definition monitor with an HD, widescreen monitor. The difference in quality is quite noticeable.

Additionally, instructors will have the option of connecting any device to an HDMI cable that is on the lectern, including AppleTV devices that Media Services will make available for instruction, giving teachers the option of using their tablets for annotation.

Rooms completed to date (chosen because they had projectors that had lamp and/or power problems) include:

- CH-100
- CH-153
- CH-259
- CH-269
- DH-118
- DH-163

space for the Entrepreneurship program and expand learning space for the Culinary Science programs. The submittal review process is underway. CCM anticipates the construction to commence in the coming weeks. This project is funded through the College's Chapter 12 appropriation.

### The Center for Health Professions

The process to access the Federal funding through the State appropriation is underway and an Architect/Engineer for the project will be ready for consideration this month. The current schedule is to have the construction project out for bid in mid Fall and awarded before the end of the year.

## COVID Protocol for Employees

We are in the season where upper respiratory infections are most prevalent. For employees who are feeling ill, follow these protocols:

If an employee feels sick, stay home or leave campus as soon as possible and do not work from home.

All medical documentation should be emailed to HR at [humanresources@ccm.edu](mailto:humanresources@ccm.edu) and may be required in accordance with the Sick Leave provisions in your collective bargaining agreement.

If you are home due to feeling ill, remote work is not an option.

**If an employee has a positive PCR Test:** Do NOT come to campus, contact your supervisor and HR.

**\*If you have symptoms and have a positive PCR test,** contact HR to discuss your quarantine period based on CDC recommendations and your return to campus date.

**\*If you were exposed to COVID and have no symptoms, but have a positive PCR test,** contact HR to discuss your quarantine period based on CDC recommendations and your return to campus date.

**\*If COVID positive and you have no symptoms,** remote work must be approved by your Vice President or Executive Director.

Please note: You are not required to report a COVID-19 exposure to HR. Only report a positive test result. To report work absence(s) due to COVID-19, employees must provide a positive PCR test or doctor's note for verification. Home Tests are not acceptable verification. To return to campus following a COVID diagnosis, you are not required to provide a doctor's note or negative PCR test. As always, cover your face when you cough or sneeze and wash your hands frequently with warm soapy water.

Because VCRs, DVD players and Elmo cameras do not have HDMI outputs, they are no longer compatible with the AV system, which was why notification was in the CCMemo last fall urging instructors to digitize their old VHS tapes. Anyone still wishing to use a DVD can request an external DVD drive from Information Services and simply plug it into the thin client.

Instructors can also upgrade their slide decks to widescreen format if they wish to take full advantage of the wider TV or projection surface.

## Weather-related Closures

CCM officials continue to make decisions regarding snow days. A message regarding a campus closure means all classes and activities will be canceled and offices will be closed.

As has been the case in the past, even if classes are canceled, faculty may choose to meet with students online, but they should not penalize students who do

not have internet access. It is recommended that faculty inform their students in advance of how they will operate in the event of a closure. Faculty should talk to their dean or vice president if they have questions or need additional support.

Check the website and email for updates. If you have not already signed up for a Titan Alert or need to update your information, we encourage you to do so at [Get Rave](#).
