NOTES:

This is an unofficial document and should be used for academic planning purposes only. All students are required to see their Academic Advisor each semester to discuss and approve their selection of courses before they register.

The ESL program is a service program and does not confer a degree or certificate upon the completion of the curriculum.

All ESL students, regardless of major, should get advisement and clearance from an ESL faculty member until they complete the ESL program (i.e., successfully pass Writing III with an A, B, or P). Names of advisors can be found on the CCM website or students can visit the Languages and ESL Department in Emeriti Hall, EH 120 or call 973-328-5420.

Placement: After taking the LOEP test, ESL students are placed in ESL courses according to the placement letter they receive from the Languages & ESL Department.

ESL students are not permitted to enroll in any major courses until they have completed Level II and are in Writing III. The ESL faculty will consider exceptions to this on a case-by-case basis.

*Prerequisite: ESL 033 and permission of Department.

+ESL 040 is a brief restricted course that is scheduled 3 times a year upon conclusion of the current semester. Students are placed in this course according to the final score they receive in ESL 033.
