Language Sequence II		3		
<b>OR</b>				
Diversity Elective* <b>AND</b>		3		
Free Elective*		3		
<b>TOTAL</b>		<b>60</b>		

**NOTES:**

**This is an unofficial document and should be used for academic planning purposes only.** All students are required to see their Academic Advisors each semester to discuss and approve their selection of courses before they register. Due to continual program revisions mandated by accrediting agencies and/or changes in state mandated requirements, students should consult their academic advisor when selecting courses. If you need the name of your academic advisor, contact **(HES Department @ 973-328-5328, HPE 225).**

To determine the transferability of your courses to participating NJ Colleges & Universities, visit the NJ Transfer site at [www.njtransfer.org](http://www.njtransfer.org).

**Science courses completed prior to entering the program must be less than seven years old. If the science courses exceed the seven-year limit, students can prove their competency by testing or they must retake the courses. This includes the Exercise Science core courses as well.**

\*See reverse side for more information and choices.

\*\*Note: All developmental Math and English courses (including ESL) must be completed before enrolling in the core science courses.

**PUBLIC HEALTH**  
**#2156**  
**Suggested Sequence by Semester**

*This suggested sequence does not include any required developmental courses.  
Degree completion time may vary depending upon the number of credits taken each semester.*
