# NOTES:

This is an unofficial document and should be used for academic planning purposes only. All students are required to see their Academic Advisors each semester to discuss and approve their selection of courses before they register.

**FALL 2021** 

Due to continual program revisions mandated by accrediting agencies and/or changes in state mandated requirements, students should consult their academic advisor when selecting courses.

Your academic advisor is: Dr. Jill Schennum Chairperson, Sociology, Economics & Anthropology, DH 317 (973) 328-5610 or (973) 328-5602. jschennum@ccm.edu

To determine the transferability of your courses to participating NJ Colleges & Universities, access <u>www.njtransfer.org</u>.

\*MAT 124 (3 CR) or MAT 130 (4 CR) is required. One 4 credit Laboratory Science course is required. You may select an additional 3/4 credit Math course or choose an additional Science course. Your Math/Science/Technology selections must total 12 credits. Consult the General Education course list for additional choices.

\*\*See back page for more information.

If you pass the Technology Literacy Competency Placement Test, you are not required to take any technology courses. If you do not pass the test, you must take 1-4 credits of General Education Technology. Select from these courses: CMP 101, CMP 126, CMP 128 or CMP 135.
