To determine the transferability of your courses to participating NJ Colleges & Universities visit the NJ Transfer site at www.njtransfer.org. GPA requirements for Teacher Education degrees vary. If you are planning to transfer contact the institution for admissions requirements.

Science courses completed by students prior to entering the program must be less than seven years old. If the science courses exceed the seven-year limit, students can prove their competency by testing, or they must retake the courses

**Students are required to take either two sequential language courses or two literature courses (see reverseside for course selections).

Teacher Education Core Note:

To remain in the program and enroll in EDU 111 and EDU 211 students must have a cumulative GPA of 3.0 or higher and obtain permission from their Academic Track Advisor or the Teacher Education Advisor.

+All developmental Math and English courses (including ESL) must be completed before enrolling in the core science courses and EDU 111, Teaching in America. PSY 113 General Psychology is a pre-requisite or co-requisite of EDU 111 Teaching in America.

++PSY 113 General Psychology and EDU 111 Teaching in America are pre-requisites.

***PSY 217 Educational Psychology is a pre/co-requisite to EDU 211 Behavior Observation in Education.
