Rutgers, The State University of New Jersey				
The professional phase consists of 42 credits, which must be completed at Rutgers, Scotch Plains Campus. See attached for course sequencing and admissions requirements.				
TOTAL		74		

NOTES:

This is an unofficial document and should be used for academic planning purposes only. All students are required to see their Academic Advisors each semester to discuss and approve their selection of courses before they register.

Due to continual program revisions mandated by accrediting agencies and/or changes in state mandated requirements, students should consult their academic advisor when selecting courses.

Academic Advisor: Prof. Bryan Lemme, 973-328-5393, blemme@ccm.edu.

This is a highly competitive program. Students from CCM will be competing for admission to Rutgers with students from other institutions.

No course substitutions are permitted for the OTA program.

All 32 general education credits must be completed at County College of Morris. No transfer credits will be accepted.

*All developmental Math and English classes, including ESL (if needed) must be completed before taking BIO 101 and 102.

**PSY 113, General Psychology is a prerequisite.

Students participating in the Joint Program shall at all times be required to follow the rules and regulations established by affiliated clinical agencies, governmental agencies, professional associations and any other institution, agency or organization participating in the Joint Program. They shall do so under the specific instruction of the supervisory staff of those agencies.

**Occupational Therapy Assistant Partnership
#2155**

Suggested Sequence by Semester

*This suggested sequence does not include any required developmental courses.
Degree completion time may vary depending upon the number of credits taken each semester.*

Admission Requirements to the Rutgers Professional Program:

The admissions process is **highly competitive** and meeting the minimal requirements **does not guarantee admission to Rutgers.**

1. Applicants should have achieved a cumulative GPA of at least 2.5 in their pre-professional coursework (recommended 3.0 GPA).
2. Applicant transcript must document courses in Developmental Psychology/Lifespan and Human Anatomy and Physiology have been completed during the past five years. Alternatively, applicants can submit documentation that knowledge from Human Anatomy and Physiology and/or Developmental Psychology/Lifespan has been used in employment situation during the past five years.
3. Applicant must submit documentation of a minimum of 20 hours of volunteer experience in two different settings where occupational therapy services are provided (for example, choose an option either children and youth, or adult rehabilitation).
4. Applicant must submit two letters of recommendation:
 - a. One from a college advisor or a professional supervisor or superior that verifies, if appropriate, a plan for completion of prerequisite courses.
 - b. One from an Occupational Therapy Assistant or an Occupational Therapist.
5. Applicant must write and submit an essay justifying OTA as a career choice, reflecting on volunteer experience, prerequisite coursework, and other community service.
6. If invited, an applicant must complete a personal interview with Rutgers OTA Admissions Committee.
7. Applicants who did not attend secondary school in the US or have not completed a sufficient number of college level English courses are required to take the Test of English as a Foreign Language (TOEFL). Acceptable scores for TOEFL are as follows: 550 and above for paper-based test and 79 for Internet based test. All results must be forwarded directly to SHRP from the testing agency.

Please note: A felony conviction may affect a graduate's ability to sit for the NBCOT certification examination or attain state licensure.

Authorization to conduct a criminal background check and results deemed favorable by Rutgers and/or clinical facilities are conditions for admission and continued enrollment.
