#### NOTES:

This is an unofficial document and should be used for academic planning purposes only. All students are required to see their Academic Advisors each semester to discuss and approve their selection of courses before they register. Due to continual program revisions mandated by accrediting agencies and/or changes in state mandated requirements, students should consult their academic advisor when selecting courses.

For academic advisement, contact the Program Director at 973-328-5423, EH 129.

To determine the transferability of your courses to participating NJ Colleges & Universities, access www.njtransfer.org.

A 2.5 GPA is required for consideration into the Professional Phase of the Respiratory Therapy Program. Students must maintain a 2.5 GPA while in the Professional Phase. Additionally, "D" grades are not accepted for course completion.

Upon acceptance into the professional courses of the Respiratory Therapy Program, students will be subject to an *annual* Federal and State criminal history background check and drug screening. The results of these screenings may impact continuation in the program.

<sup>\*</sup>See back page for more information.

<sup>\*\*</sup>Must be completed as a prerequisite to the Professional Phase of the Program. See back page for more

**MATHEMATICS:** Mathematic course requirement may be substituted with an equal or higher-level math. Students must complete the appropriate form and submit their request to the Program Director for review and evaluation.

**SCIENCE:** Science courses completed by students prior to entering the program must be less than seven years old. If the science courses exceed the seven-year limit, students can prove their competency by testing, or they must retake the course.

**HUMANITIES/DIVERSITY/COMMUNICATION:** Select an elective from the attached CCM General Education course. <u>Click here for the most recent General Education course list.</u>

If you do not pass the Technology Literacy Competency exam, you must take CMP 101, Computer Information Literacy.

**HONORS COURSES**: You may be eligible to take honors courses. Discuss this option with your Academic Advisor.
