NOTES:

This is an unofficial document and should be used for academic planning purposes only. All students are required to see their academic advisors each semester to discuss and approve their selection of courses before they register.

To reach your academic advisor, contact the Business Department in Cohen Hall, CH 204 (973) 328-5656; or log onto your Student Planning account and click on the 'advising tab' or go to www.ccm.edu, click on the blue button in the upper right hand corner, then Academic Advisement, Who is My Academic Advisor

To determine the transferability of your courses to participating NJ Colleges & Universities, access www.njtransfer.org.

- +See back page for more information on Math, History, Science, Business, and free elective choices. When choosing Math electives, students planning to transfer to a 4year college/university, should consult with CCM's Transfer Coordinator.
- *Students should consult with an academic advisor or the Transfer Coordinator in choosing their General Education electives. Some 4-year colleges/universities require 6 credits of a foreign language.
- **Students who do not pass the Accuplacer Algebra Test (or do not meet the equivalent score through other evaluations/assessments) are required to take MAT 016 Intermediate Algebra or an equivalent as a prerequisite for ACC 111.
- ***ENG 111, ENG 112, English Composition I & II and BUS 119, Business Information Systems & Applications are prerequisites.
