

SALONI SHAH

Saloni is a student at County College of Morris graduating in May 2021 with an Associate of Fine Arts degree with a focus in Interior Design. She plans to further pursue a Bachelor's degree at New Jersey Institute of Technology - NJIT.

Saloni's goal is to a firm of her own, someday. She is interested in creating space and distance that feels like a familiar world, but also ambiguous, general, and abstract. She believes in the power of beautiful interiors to transform daily lives and looks to provide her clients with their dream homes/places. She also finds herself interested in dancing, reading books, watching movies, and exploring the world.
