Heroes & Healers

Week of Honor in Appreciation for Those Who Serve Others

Building on the impact of its first Heroes & Healers celebration last year, CCM has arranged for a Week of Honor in appreciation of veterans, active military personnel, first responders and healthcare workers for this year's recognition program.

The Second Annual Heroes & Healers program takes place November 8 – 13. As it did last year, the college will have a drive-through Hill of Honor with signs displaying photos and names of active military, veterans, and first responders and healthcare workers who have served others during the pandemic. That display, near Parking Lot 1, will open on November 8 and be available for viewing through November 13. On November 11 at 5 p.m., a Candlelight Ceremony will be held at the Hill of Honor. Then on November 13, the college will hold a recognition ceremony in the Dragonetti Auditorium in the Student Community Center, starting at 10 a.m., that will conclude with a procession to the Hill of Honor.

To reserve a sign with photo on the Hill of Honor, go to <http://bookstore.ccm.edu/campus-life-events/>.

Heroes & Healers is sponsored by the Student and Veterans Support Organization and CCM's Departments of Student & Veterans Services, Campus Life, Foundation and Special Events.

Dover College Promise Students Get Active in the Community

Dover College Promise (DCP) students recently began the cleanup work needed to start a walking trail community project in Dover.

Along with participating in college readiness workshops, DCP students are asked to complete a community project. This helps them to develop as leaders, work as a team, give back to their communities and have a long-lasting impact, something that is part of the mission of the program's grantor, Impact 100.

CCM Proud of our DCP students!

Help Send Needy Children a Christmas Shoebox

EOF once again this year is taking part in Operation Christmas Child to provide shoeboxes filled with gifts to needy children around the world. You can donate small items for boys and girls in age ranges 2-4, 5-9 or 10-14.

Donations are being collected now through November 15. Suggested items are new stuffed animals, small toys, school and craft supplies, and combs and toothbrushes. You also can include a note and a photo of yourself or you and your family if you'd like.

Items that cannot be accepted are liquids of any kind, toothpaste, breakable items, war-related toys, dry fruit, drink mixes, vitamins, candy and other food items.

Collection boxes are located outside the EOF office, Cohen Hall, Room 211, the Cohen Café and the Campus Life office in the Student Community Center. You also are welcome to contribute a filled shoebox. To learn more about Operation Christmas Child, visit www.samaritanspurse.org/operation-christmas-child/.

- Testing takes 5 – 10 minutes
- Do not eat or drink anything 30 minutes prior to being tested

LabQ does not schedule appointments for mobile testing sites such as the one on campus. Testing occurs on a first-come, first-served basis. You can, however, use the QR code below to pre-register for either a nasal or saliva PCR test. Be sure to have your driver's license and insurance card on hand, as you will need to provide photos of both. No COVID-19 vaccinations will be given. However, those who are vaccinated are free to get tested should they be experiencing symptoms or are in need of a negative test for traveling or other purposes.

When you use LabQ, either on campus or at one of its other locations, it will notify you and HR about your test results by noon on Fridays. You can find other LabQ locations at <https://labq.com/covid-mobile-testing/>.

CCM will also accept COVID-19 PCR tests from other facilities; you are not limited to using LabQ on-campus testing. If you are using another provider, tests must be taken between Sunday and Wednesday of the same week and you must email your results to CCM before noon on Fridays:

- Employees email results to HRCOVID19@ccm.edu
- Students email results to covidex@ccm.edu
