Sexual harassment and discrimination program

The college conducted its biannual education program covering the topic of sexual harassment & discrimination in the workplace. The presenter, Kelly Ann Bird, Director in the Employment Law Department of Gibbons P.C., provided employees with an informative presentation of the legal & practical issues involving this important topic. The college's policy and process plus legal implications were covered. All full-time employees were obligated to attend one of the six sessions that were provided. Human Resources will be scheduling make-up sessions for employees who were unable to attend one of the sessions.
