CCMemo Survey Outcome

A recent survey of the CCMemo was conducted with approx. 1,000 surveys distributed and 80 responses received. Responses indicate that readers find the CCMemo attractive and easy to read with their main interest in Upcoming Events, Swap and Shop, and news about the college and college employees.

Employees recognize the CCMemo as a communications piece which can be referred to for quick information. Based on survey feedback, I would like to include information on the following subjects: athletics, policy updates, union news, public safety and health.

To accomplish this, your help is needed. Please send information using a form provided on Spider or call me at ext. 5050. Go to www.ccm.edu/Spider Click "College Advancement and Planning" → "Communications & College Relations" → "Request for Publicity."
