Astronaut Visit at CCM

Yesterday, following an outstanding presentation by astronaut Garrett Reisman, several members of the campus community showed our visiting astronaut the CCM Planetarium. Dr. Reisman, who grew up in Parsippany, recalled his grade-school visit to our facility. This was also an opportunity for Dr. Reisman to meet Trustee Joseph Longo and his wife Madeline, whose largesse has made the Planetarium renovation project possible and for whom the new Planetarium will be named.
