### 2009 CCM Golf Classic

September 21

The County College of Morris Foundation will hold its 2009 Foundation Golf Fundraiser at the Knoll West Country Club, a beautifully-designed, classic course. All proceeds support the CCM Foundation. For more information or to sign up, call ext. 5060. To view the invitational brochure go to [www.ccm.edu](http://www.ccm.edu) under news and events.

## LRC Gallery Art Exhibit

Jane Derrick Biron of Chester, NJ and Damascus, PA will be exhibiting paintings and ceramic vessels at two galleries this summer. Both have openings in July and run through the end of August.

The LRC Gallery will be showing a wide selection of recent works from July 13 through August 26. The opening reception date is Thursday July 16 from 4 - 7 p.m.. The artist will be present and refreshments will be served.

Biron's work is influenced and inspired by the rapidly dwindling landscapes of New Jersey and north-east Pennsylvania. The Upper Delaware Valley, farms, pastures, livestock and the local people embody the work.

Each painting has been intelligently framed with complimentary (recycled) barn wood, branches or roots by her husband, carpenter and wood artist, Tom Biron.

The ceramic pieces reflect the paintings in a way that could only be called poetic. Three types of kilns have been utilized for different surface qualities and imprints – electric, anagama and salt.

Biron and Biron are also showing, with a group, at the (new) Willow River Gallery in Honesdale, PA (570-253-3013) the opening date for which is Saturday July 4 from 12 - 8 p.m.

The CCMemo will be issued every Friday. Deadline for items to be submitted is Wednesday p.m. Please send items for submission to [rsmith@ccm.edu](mailto:rsmith@ccm.edu). Thank you!
