New Billboard Campaign Begins

Starting this summer, CCM has launched a new billboard campaign promoting our new brand slogan "Connecting Learning and Life." For the last few years, we have maintained a single billboard at the intersection of Routes 46 and 10

in Ledgewood. This year, we will be sponsoring seven billboards a month, which will rotate in various locations throughout Morris County. The

billboards will feature a cross-section of traditional and non-traditional students, re-enforcing

our brand slogan and reminding everyone that CCM offers an educational experience for everyone along life's path.
