## Upcoming Event

### Space EXTREME!

Longo Planetarium  
July 22 at 7 p.m.

July 23 at 3 and 5 p.m.

The massive gravitational power of black holes, the speed and power of neutron stars, the sheer size and strength of galaxies - we will see all of these extremes and more.

## Note to Colleagues

I am reaching out for colleagues to sponsor me as I walk in memory of my mom in the Walk to End Alzheimer on September 24. Any donation would help. If interested in helping, I can be reached at 973-951-6403 or via email [jlkr46@optimum.net](mailto:jlkr46@optimum.net). Thank you.

## Exterior Stair Repair Work on Campus

Warranty repairs are being made on various exterior stairs around campus. The work began July 19 and is expected to last for less than two weeks. The stairs being worked on include the monumental stairs from parking lot 4, the Henderson Hall monumental stairs, both sets of stairs from parking lot 3, the Sheffield Hall stairs and patio, and the DeMare Hall stairs. During repairs, the stairs will be closed as necessary.

If you have any questions or concerns, please feel free to contact us or Public Safety (ext. 5550) at any time. Thank you for your patience and understanding during the warranty work.

## CCM Parking Decals Get a New and Improved Look

Come this fall, County College of Morris will begin transitioning away from the football shaped parking stickers to a cleaner-looking decal that better reflects the true image of the college. The new decals feature the CCM logo and tree against a white background. Besides serving as parking decals, the new stickers also will help to better "brand" the college.

"With hundreds of students, faculty and staff driving throughout New Jersey each day, the new decals will increase awareness about CCM as our logo is seen on roadways, in parking lots and by neighbors and friends," noted Karen VanDerhoof, vice president for business and finance.

Faculty and staff will be required to change their stickers this fall semester. To make the process as easy as possible, the Department of Public Safety has instituted a system whereby departments can request that registration cards for the new decals be sent via campus mail. "We're asking each department to assign a person to determine how many decals are needed. We'll then send them the cards, which each individual will need to fill out. The assigned person then can return those to us via campus mail and once the cards are processed we'll send them the decals," said Harvey Jackson, director of public safety.

Faculty and staff will have until the end of the fall semester to change the decals on their cars. Those who may rotate what car they drive to campus will need a decal for each car. "Decals are not assigned to an individual, but rather to a specific car," said Jackson. In making the change, faculty, staff, students and others also need to make sure that they place the decal in the proper location, which is on the left-side of the back window as shown in the photo

below. Those who drive convertibles should place the decal on the left-hand side of the back bumper.

Those with motorcycles should place the sticker on the left fork of their motorcycle.

Decals are to be placed as shown here.

Faculty and staff who fail to change their decals by the end of the fall semester will be presented with a warning notice. Should they then not make the change, they will be subject to a \$25 fine.

Decals for current students and alumni who currently have a sticker will not be changed at this time. Rather, new students will receive the updated decal at the time of registration and alumni requesting decals will be provided with a new one as those requests are made.
