Assemblyman to Display CCM Students' Watercolor Paintings

The Randolph office of Assemblyman Anthony Bucco (25th District Morris County) received an aesthetic enhancement in March when he displayed artwork by eight County College of Morris (CCM) students. The artwork was so nice, Bucco decided to do it twice. This time, students currently enrolled in Todd L.W. Doney's watercolor painting class will have the honor of seeing their work adorn the assemblyman's walls. A public opening reception will take place on Tuesday, July 2, from 5 to 8 p.m. at the district office at 1040 Route 10 West, Suite 104 in Randolph.

"It has been a pleasure to see the partnership between Assemblyman Bucco and the Visual Arts department produce two great artistic selections," said Doney. "The receptions in particular give the community a chance to view the fine work produced by CCM students." Read more at <http://tinyurl.com/njps7td>.

Name Changes in Academic Services

A number of name changes have been made to areas in Academic Services to better reflect the services offered to students. Please note that what was formerly known as Case/Horizons is now the Disability Services Office, Center for Assessment and Learning is now the Testing Center, and the Learning Center (also formerly known as Math/Writing/Science Center) is now the Tutoring Center: Math/Writing/Science Center. Please use the new wording, as it makes it easier for students to ask for and locate commonly used services on campus and on the website.
