CCM Professor's Photography on Exhibit

Dr. Roger McCoach, professor of mathematics, is having his photography on display at two venues

in August. He has his work in the Morris County Library in East Hanover until August 30 and in the CCM Art Gallery in the Sherman Masten Learning Resource Center until August 15. Both are part of shows being held by the Art Association in Roxbury. His "Butterfly Glider" photograph (pictured above) recently won a third place award at the Norwescorp Skylands Art show at the Morris County Library.

The CCM gallery hours are the same as the library's hours, which can be found at www.ccm.edu/library/hours.aspx.

CCM Right-to-Know Survey

CCM submitted its 2015 "Right to Know (RTK) Survey" of all hazardous substances at the campus to the New Jersey Department of Health in July. The survey informs employees about the hazards at their workplace, and helps firefighters, police and other emergency responders plan and respond to fire and spill incidents.

In addition to the RTK Survey, CCM's Public Safety

department maintains Hazardous Substance Fact Sheets and Safety Data Sheets for the hazardous substances listed on the survey. Employees may access CCM's Right to Know Central file by contacting the Public Safety department. Hard copies of the 2015 RTK survey, listing the hazardous materials by location, have also been provided to each CCM department.

In-Person Registration for Fall 2016

CCM will be holding three in-person registration sessions for the Fall Semester. The sessions will take place in the Learning Resource Center, Room 121, during the following dates and times:

- Friday, August 26, from 9 a.m. to 4 p.m.
- Saturday, August 27, from 9 to 11:30 a.m.
- Monday, August 29, from noon to 6 p.m.

The Fall Semester begins August 30. Before registering for classes, students must apply to the college.

At CCM, students can choose from more than 50 academic degree programs and more than 40 certificate programs. In addition, the college is partners with more than 15 colleges and universities to simplify the process of transferring credits for those who wish to go on and earn a bachelor's degree. A listing of those agreements can be found at <http://bit.ly/1iojtDI>.

Offering an outstanding education at an affordable price, CCM can save students about \$30,000 or more per year on their higher education. Along with that savings, students benefit from small class sizes and a faculty specifically focused on teaching.

Public Safety Offers Online Parking Decal Service

For your convenience, parking decals can now be applied for online. Simply complete the application form for motor vehicle registration. Here's a [shortcut link](#) for the online form.

To obtain your decal, you will need to make a brief visit to the Public Safety Department located at 675 Route 10 East. You can park in Parking Lot 10. Please bring your college ID and your motor vehicle registration cards for verification. Once the information is verified, a decal will be issued for your vehicle, which will include a copy of the college's motor vehicles rules and regulations. You may also download these rules and regulations from the [Public Safety](#) website.
