## CCM CLASS OF 2018 INCLUDES THREE TEENAGERS EARNING THEIR ENGINEERING DEGREES

Included among the Class of 2018 are three teenagers who decided to get a jump start on college and earn their associate degrees by taking part in the share-time Engineering Design and Advanced Manufacturing (EDAM) program at CCM.

The EDAM program, which the Morris County Vocational School District and CCM began in fall 2015, allows eligible high school students to spend half of their school days at CCM and earn certificates in Mechanical Computer Aided Drafting and Engineering Technology, along with 32 college credits towards the Associate in Applied Science (AAS) in Mechanical Engineering Technology degree. Students may then enroll in CCM's AAS in Mechanical Engineering Technology program for one additional year to earn their associate degree, or at a four-year college or university, or pursue workforce placement.

## CCM STUDENTS IMPRESS AT STATE RADIOGRAPHY COMPETITION

CCM radiography students made quite an impression at the recent New Jersey Society of Radiologic Technologists (NJSRT) annual meeting in Atlantic City. During the student competition, technical exhibits created by CCM students placed first and third, while two students gained top placements in the X-Ray Bowl competition.

CCM students traditionally have excelled at the NJSRT annual meeting, attesting to the quality of the radiography program at the college.

Placing first for their exhibit on "How Fractures Are Repaired" were Hayden Delle Donne, of Chester; Cory Moore, of Morristown; Ryan Buayaban, of Hopatcong; Ryan Rothschild, of Boonton; and Nish Naik, of Morris Plains. Placing third for their exhibit "Radiation Effects on the Human Body" were Allison Scardena, of Denville; Corinne Przyborowski, of Boonton; Erica Pyper, of Sparta; Brian Berry, of Hopatcong; and Kaitlin Berger, of Madison.

## MEMORIAL DAY AND SUMMER HOURS

In observance of Memorial Day, the college will be closed on Monday, May 28.

Effective the first Monday in June (6/4/18), and continuing through the Friday (8/24/18) before the first scheduled day of classes, those employees scheduled for a one-hour unpaid lunch period, will take a one-half-hour unpaid lunch period. This will permit them to leave the college a half hour earlier during this summer period.

Also, please note that the college will be closed on Wednesday, July 4, only.

## GOLF TEAM SWEEPS BOTH CONFERENCE AND REGIONAL TITLES

For the second time since 2007, the CCM Titans Golf Team has won both the conference and region championships in the same season, earning them a place in the national championship.

The team's overall record for the year was 36 – 1 with the only loss coming at the hands of Ocean County College by two strokes back in mid-March.

## GAME DEVELOPMENT STUDENTS CELEBRATE WITH GAMES GALA

The first ever CCM Games Gala was held on Friday, May 11. The end of semester celebration highlighted games that were created by CCM game development students. The inaugural event proved to be a resounding success!

Professors Eric Guadara and Michael Metzler brought their game design and game programming students along with family and friends to participate in the event. Students demonstrated their board and electronic games and attendees had the opportunity to play them.

## PURCHASING DEADLINES FOR "01" ACCOUNTS

Deadline dates for FY 2017-18 purchase requisitions are established to ensure that the Purchasing department has adequate lead time to procure all goods and services for the current fiscal year.

If you are planning to purchase any capital equipment or promotional printed items, please email the Purchasing department immediately. Purchasing needs to determine, if in the aggregate, we have exceeded any legal thresholds that would require public advertisement. Capital Items that are available under a state contract or a consortium, eliminate the need for public advertisement; therefore, a June 30 delivery may still be achievable.

Miscellaneous Purchases (excludes repair & maintenance) - 5/11/18  
Blanket Order Change Request - 5/31/18  
WB Mason Office Supplies - 6/8/18  
Blanket Order Releases - 6/8/18  
Check Enclosed Orders - 6/8/18  
Chartwells (Food Service) -6/8/18

Please make sure there are sufficient funds to support your blanket order increases. Blanket Order Change Requests with insufficient funds will be returned. When processing Blanket Order Releases, please monitor your remaining balance to ensure that your release is not flagged as an "Unauthorized Purchase." All releases must be processed no later than 6/8/18.

## THANK YOU FROM STEVE KAIFA

I am writing this annotation to give my personal “thank you” to each and every one who prayed for me and offered me their sincere and heartfelt thoughts, sent cards, took time from your busy schedule and came to Overlook Hospital over and over to console me, came to Kessler Rehab Institute to comfort me, as well as came to my home almost every day to visit and boost my spirit to help me through the most difficult time of my life. Your kind words, your cards, your company and your prayers really made a giant difference and still continue to make a real difference in my health.

When you sat by my hospital bedside and watched me and my life change, I could see the helplessness in your eyes that there was nothing you could do to alter the situation, but just being there for me and my family made a profound impact on my healing process. I’m extremely grateful for your friendship and words cannot satisfactorily express my appreciativeness. Again, words cannot adequately express my appreciation to you – the faculty and staff of CCM – for the encouragement, thoughtfulness, friendship and all the love that everyone has expressed to me. Living and working in a community where people are so concerned and are so willing to lend a helping hand is a great gift. My family and I are very blessed to have you as an extended family. Thanks again.

Hey, I did miss all of you this past semester.

## CCM TAKES FIRST IN NEW JERSEY COUNTY COLLEGE CASE COMPETITION

County College of Morris business students won first place in the New Jersey County College Case Competition. For the past three years, Rutgers Business School in Newark has held a business competition for two-year schools that provides an opportunity for students to apply their business acumen and to experience what it is like to be in a corporate setting and making challenging decisions.
