

Code of Ethics for County College of Morris Employees

1. Application

This code of ethics is applicable to employees paid from Federal, State or County funds and who are employed by the County College of Morris.

2. Definitions

The following examples of continuing outside employment activities are illustrative of the intent of this code of ethics and are not meant to be an exhaustive listing of continuing outside employment.

1. A full or part time teaching assignment at another educational institution except for a single or limited number of guest lectures.
2. A clinical or professional practice (for example, in clinical psychology or law.)
3. Appointment as a consultant to a school district, corporation or other public or private enterprise for an indeterminate period or a period exceeding thirty (30) days even if actual time demands are intermittent.
4. Operation or management of, or employment in any business enterprise.

"Employee" means any person compensated for full or part time employment services rendered to the College.

- (f) No employee shall knowingly act in any way that might reasonably be expected to create an impression or suspicion among the public having knowledge of the employee's acts, that he or she may be engaged in conduct violative of his or her trust as a public employee.
- (g) No employee shall appear on behalf of a party not affiliated with the College, in any matter before the College or in a proceeding involving the College before other public agencies. Nothing contained herein shall preclude an employee from appearing on behalf of a student, employee, or employee organization of the College.
- (h) No employee shall use, or allow to be used, his or her public office or employment, or any information not generally available to members of the public, which the employee receives in the course of or by reason of the employee's office or employment, to secure financial gain, unwarranted privileges, advantages or employment for himself or herself, his or her immediate family members, or others with whom the employee is associated.
- (i) No employee shall engage in an amorous relationship with a student for whom the employee has a professional responsibility as a teacher, advisor, evaluator or supervisor.
- (j) The primary work obligation of a full-time employee of the College is to the College. No full-time employee of the College shall engage in continuing outside employment unless the College first determines that the continuing outside employment does not:
 - 1. constitute a conflict of interest;
 - 2. occur at a time when the employee is expected to perform his or her assigned duties;
 - 3. diminish the employee's efficiency in performing his or her primary work obligation at the College.

All continuing outside employment of a full-time employee of the College during the regular work year must have the prior and continuing written approval of the President of the College or his/her designee. Where approval is sought for continuing outside part-time employment at another public institution or agency, the approval of the College may be conditioned upon an agreement to apportion the employee's full-time salary between the public employers.
