

English Accuplacer Placement Test

If you took the English Accuplacer Test May 1, 2020 or later, use the table below to determine your English placement

To view your English placement results, go to [Titan's Direct/Student Planning](#) and click on the "Placement Information" button from your home page. The score below will tell you your developmental (non-credit) placement or college-credit English course.

Score	Course Placement	Advisement
40 – 50	ENG 111- English Composition 1 (3CR)	No developmental course needed – may begin college credit English coursework.
35 – 39	ENG 007- Writing Skills Review (1NCR)	Two-week developmental/non college credit course needed before enrolling in ENG 111. Recommended to take during summer or winter session. However, ENG 007 may be taken during the semester in an early start term, followed by ENG 111 in a late start term.
30 – 34	ENG 022- Elements of Writing (1.5NCR)	Five-week developmental/non college credit course needed before enrolling in ENG 111. Recommended to take during summer or winter session. However, ENG 022 may be taken during the semester in an early start term, followed by ENG 111 in a late start term.
0 – 29	ENG 025- Writing Skills (3NCR)	Full semester developmental/non college credit course needed before enrolling in ENG 111.

You may retake the Accuplacer English test one additional time, one week, after your original test. The fee for retaking the test is \$10.00.

CR = College Credit

NCR = Required Non-College Credit
