

PLACEMENT USING THE HIGH SCHOOL TRANSCRIPT

Mathematics

If you graduated from High School in 2020 or 2021, use the chart below to determine your developmental (non-credit) placement or college-credit Math course choices.

To view your Math placement results, go to [Titan's Direct/Student Planning](#) and click on the "Placement Information" button from your home page. The codes below will tell you your developmental (non-credit) placement or college-credit Math course choices.

EXPLANATION & CODE	COURSE PLACEMENT	ADVISEMENT
Multiple Measures Precalculus (MMP)	MAT 123, MAT 110, MAT 114, MAT 120, MAT 124, MAT 130, MAT 117, MAT 118, MAT 113	Your Math choice/requirement will be based on your academic major and/or transfer plan.
Multiple Measures 2020 (MM20)	MAT 110, MAT 114, MAT 120, MAT 124, MAT 130, MAT 117	Your Math choice/requirement will be based on your academic major and/or transfer plan.
Multiple Measures Intermediate Algebra 'Express' (MIAE)	MAT 026	MAT 026 is an intensive review of Intermediate Algebra in an express format. Students who place into this course are encouraged to enroll in it, however they may also choose to take MAT 016 (see description in the box below).
Multiple Measures Intermediate Algebra (MMIA)	MAT 016 or MAT 120	MAT 016 is a required developmental/non-college credit course for most STEM, Allied Health and certain other majors. Refer to the checksheet and/or Titans Direct account to ensure this choice is appropriate/required. MAT 120 is a college credit Math course suitable for most, but not all Liberal Arts majors. MAT 120 is generally NOT an acceptable choice for STEM majors. Refer to the checksheet and/or Titans Direct account to ensure this choice is appropriate.
Multiple Measures 'Express' Algebra (MMXP)	MAT 010	MAT 010 is a two-week, 1 (non) credit, review course for basic algebra. Students who place into this course are encouraged to enroll in it, however they may also choose to take MAT 006 or MAT 007 (see description in the box below).
Multiple Measures Foundations of Algebra (MMFA)	MAT 006 or MAT 007	MAT 006 is a 15-week, lecture style class that includes 2 lecture hrs; 1 mandatory recitation/lab hour. MAT 007 is a self-paced computerized class that requires the completion of nine Algebra modules. You may choose either of these two courses.
