

PLACEMENT USING THE HIGH SCHOOL TRANSCRIPT

English

If you graduated from High School in 2020 or 2021, use the chart below to determine your developmental (non-credit) placement or college-credit English course.

To view your English placement results, go to [Titan's Direct/Student Planning](#) and click on the "Placement Information" button from your home page. The codes below will tell you your developmental (non-credit) placement or college-credit English course.

CODE	COURSE PLACEMENT	ADVISEMENT
Multiple Measures English Composition	ENG 111	No developmental course needed – may begin college credit English coursework.
Multiple Measures Writing Skills Review	ENG 007	Two-week developmental/non college credit course needed before enrolling in ENG 111. Recommended to take during summer or winter session. However, ENG 007 may be taken during the semester in an early start term, followed by ENG 111 in a late start term.
Multiple Measures Elements of Writing	ENG 022	Five-week developmental/non college credit course needed before enrolling in ENG 111. Recommended to take during summer or winter session. However, ENG 022 may be taken during the semester in an early start term, followed by ENG 111 in a late start term.
Multiple Measures Writing Skills	ENG 025	Full semester developmental/non college credit course needed before enrolling in ENG 111.
